Dear Parent/Caregiver or Agent

Thank you for your enquiry regarding enrolling International Students at St Mary's Catholic School, Papakura.

Our school welcomes students and their families from a variety of cultures and encourages language, song, dance and treasures of students to be a visible part of our school community and to this end, International Students are most welcome at our school.

The Board of Trustees who govern our school, have agreed that we can enrol up to 25 International Students each year and that we try to place only one or two International Students in each class so that these students learn in an English speaking classroom and make friends with many New Zealand children.

The Information Pack provided gives you all the information you need regarding making an application for enrolment at St Mary's Catholic School. Further information can also be obtained by visiting the School's web-site on www.stmaryspapakura.school.nz

Once again thank you for your enquiry regarding the enrolment of International Students at our school.

Yours faithfully

Audrey Kippen
Principal
